Professional summary

As a skilled Front End Developer with 5 years of experience, I have a proven track record of creating visually appealing and user-friendly websites. My biggest achievement was leading a team to successfully redesign and launch a company's website, resulting in a 20% increase in traffic and improved customer engagement. My best qualities include strong attention to detail, problem-solving abilities, and the ability to work collaboratively with cross-functional teams. I possess expertise in HTML, CSS, JavaScript, and React, allowing me to develop responsive and interactive web pages. With my passion for staying updated on the latest web development trends and my dedication to delivering high-quality work, I am confident in my ability to add value to any organization as a Front End Developer.
